VALENTINE’S DAY GYMNASTICS PARTIES

Our gymnastics students always enjoy party days at KiDS. During this special week, children will practice their skills in a Valentine-themed gymnastics circuit. Time will be set aside towards the end of class for the children to enjoy treats provided by our wonderful parents. A sign-up sheet will be on the lobby desk for parents to sign up to bring snacks. Look for the number listed under your child’s class time indicating the number of individual snacks you will need to provide. We ask that you have enough of the same snacks for ALL the children in class. Snacks may be store-bought or home-made, however, because the loft area is carpeted, we would appreciate **NO CUPCAKES.**
